## Booking Conditions

### Important Note

It is a condition of the booking that you have taken out suitable holiday travel insurance for all occupants of apartment J6. We will not be held liable for any mishaps accidents or other incidents occurring in any of the communal areas of Four Seasons complex which are owned and run entirely by the property developer. We ask and expect you to abide by the developer's rules and regulations concerning the use of these facilities and it is in your own interest and safety to do so. These rules and regulations are available in our user guide inside the apartment and are also to be found on our website [www.turkeystylishlettings.co.uk](http://www.turkeystylishlettings.co.uk)

### Reservation Deposit

This is currently £50 per week and is only refundable if more than 12 weeks notice of cancellation is given. Please note however that if we are able to rebook the dates you have cancelled we may still be able to refund your deposit less £20 admin costs

### Final Payment (Due 8 Weeks before holiday)

Final payment consists of £100 breakages deposit and separate cheque for balance of rental. The breakages deposit should be a separate cheque which normally we would not bank unless, after your occupancy, damage to the apartment is discovered. Assuming there is no damage this breakages deposit cheque will be returned to you.

Please note that once final balance has been received no money will be refunded unless there are extenuating circumstances that are acceptable to both parties.

Once you are in residence no funds are returned.

### Booking Agreement

I have read and I accept the conditions of this booking and I have already taken or intend to take out suitable travel insurance for all of the occupants of your apartment.

Please find cheque for reservation deposit and proceed with my reservation.
